

# Scottish EIA Community Conference

## Delivering societal change and proportionate EIA

23 May 2019

Katherine Lakeman (Principal Policy Officer - Planning)

# National Performance Framework: A shared narrative for societal value?

Shared  
understanding  
of societal  
value

Collaborative  
scoping to  
ensure focus  
on significant  
effects –  
environment =  
an asset

Digital  
transformation

**Greater societal value + more proportionate EIA**
